

MISSION and CORE VALUES

At Jeffrey Paul Salon, our passion and specialty is providing solutions for restoring the beauty that feels diminished when experiencing hair thinning or hair loss.

Our Mission is to help our Guests look themselves and live their lives with wholeness and beauty both inside and out. Our goal is to always exceed our Guests expectations by providing the “Best of the Best” in services, products, experience, education and care.

Our Employees work as a team in order to care for our Guests as well as to care for each other. We work as ONE to maintain the highest standards of Customer Care as well as the best possible working environment. We remember that “A true team exists only when each player knows how their actions affect the rest.” We are dedicated in all our efforts and decisions to the philosophy of a Win-Win-Win relationship between our Guests, Team and our Company.

It is through our sincere Individual and Team efforts, as well as with God’s help, that we perfect our specialty and accomplish our mission and goal.
