

## 2.

## WHAT'S INCLUDED IN YOUR KIT?

Each In-Home Hair Care Kit comes with all the necessary professional products we use during your in-center service. These products are designed to assist you with removing your hair extensions & cleaning your growing hair of any residual adhesive. Before beginning your in-home service be sure your Hair Care Kit includes the following products:

1. Clarifying Shampoo
2. Bond Remover marked with a – **GREEN DOT\***
3. Adhesive Remover marked with a - **RED DOT\***
4. Cotton Rope

**\*Kits are specific to your specific needs. May include only one remover.**
